LOCAL OUTREACH: In Your Neighborhood
PROJECT: Yard or House Project Help

IMPACT

We are called by Jesus to “love our neighbors.” This does not only mean our literal neighbors, but everyone we come into contact with. However, it certainly includes our own neighborhood! Often we rush into sharing about Jesus with someone before they even believe that we care about them. Loving our neighbors creates a bridge that can support when and if a door opens to talk about Jesus.

There may be a neighbor who is in need of help with their yard or a home project. Time to get your hands dirty and help out!

INSTRUCTIONS

STEP 1: As a group, talk about the neighborhood and community that each of you live in, and who you know that is need of either yard clean up or a house project.

STEP 2: Once you’ve identified a neighbor in need, have someone reach out to the neighbor and ask if their group can help them with the project.

STEP 3: Coordinate with your group if there are any tools that individuals need to bring.

STEP 4: On project day, enjoy your time serving! And check out the additional ideas below that can add an extra touch of kindness!
