IMPACT

Through our SNOW Ministries (Special Needs Outreach & Witness), we offer a supportive environment for teens and adults with special needs and their families called SNOW Den. It is our desire to connect them to God and His love and provision for them. They meet on the 1st and 3rd Friday at the Fellowship Center from 7-9pm. Many families come from far off distances and end up waiting at the facility until the Friday night program ends. While the child attends the Friday night SNOW gathering, the parents can wait in the Welcome Center and interact with other adults in a warm, friendly and relational environment knowing that not only is their child cared for, but they are as well.
