

# BEYOND SMALL GROUP SERIES

This small group series that you will be going through with your group will tie in with the sermons and is about going beyond to pursue God, reach the lost, and impact generations. To do this, it will require each of us to go beyond ourselves, our walls, and our generations.

## INSTRUCTIONS FOR GROUP MEETINGS

### 1. HANG OUT *(About 15 minutes)*

As people filter in, hang out and chat over some snacks.

### 2. GATHER *(About 15 minutes)*

Gather together to sit down in the room you will have your meeting. Take some time to talk about what's going on in your lives. Ask about things like work, health, kids, and how the week is going. This time goes a long way in building community.

### 3. WATCH *(About 5-7 minutes)*

Watch the video together on your smart TV or computer at [myfac.org/beyondseries](http://myfac.org/beyondseries) or on our YouTube Chanel (Fellowship Alliance Chapel).

### 4. DISCUSS *(About 30 minutes)*

Read the verse together, then think through and talk about the discussion questions for that week. Also spend time during this study getting to know one another.

### 5. RESPOND *(About 10 minutes)*

These are some questions for personal reflection. Ask God in prayer to help you respond to His leading and apply what you've learned during the session.
