

ACTS

OF THE APOSTLES

October 10 - 11
Lesson 5

Aftereffects: Answers for the Unhealthy

This Discussion Guide should be used the week following the sermon it supplements, but members can still interact even if they missed the sermon. To use this guide in your Community Group, try to work through the questions on your own before you meet. You might not get to all of the questions, and that's okay. If your Community Group does not meet one week, walk through the guide on your own so that you can stay in sync with the series.

MAIN TEXT: Acts 5:1-14

SUMMARY OF THE SERIES: The Acts of the Apostles describes the beginning of the church missional movement that was started by the resurrected Jesus. Most importantly, the church's power and strength comes from the Holy Spirit. Without the Spirit, the church ceases to be the church. Followers of Jesus have the Holy Spirit at conversion and receive a new nature, but Acts shows us how we need continual filling of the Holy Spirit to be the church engaged on mission. Of course, we can't manufacture this but need to put ourselves in a position of asking and waiting for the Spirit. Expectation without agenda. And we need to be entering people's world's listening to them, and knowing when to bring the healing words of Jesus and good news of the Kingdom to others if we are to be engaged on mission.

GETTING STARTED

If we are being missionally engaged in being a witness of Jesus to others, we also need to keep ourselves in check that we are spiritually healthy. In particular, our inner life should match our outer life. That is, who we are in public should be who we are in private. It's easy to be religious and want to look good in front of others. Why do you think this is the case?

DISCUSSING THE WORD

1. Read Acts 4:32-5:1-14. What do you think were Ananias and Sapphira's motive?
2. Read v. 3-5. What about this initially shocks you? Now, remember that Jesus often had the harshest words to the religious leaders who wanted to look impressive in front of others. He was tender to those who knew they were sick and broken, but gave repeated warnings to the religious. Knowing this context, how does this help understand verses 3-5?
3. In what ways can we easily get caught up in wanting to look religious in front of others? Why do you think God is very concerned about this unhealthy type of life?

PERSONAL RESPONSE TO GOD

Take the Spiritual Growth Assessment!

A follower of Jesus should be growing spiritually to become more like Jesus. However, sometimes we do not know where we need to grow, or we do not go deep enough with where transformation needs to take place. Or sometimes we feel spiritually stagnated or stuck.

Just as many of us go to the doctor's office to get a baseline health assessment and routine check-ups for our physical and mental health, our spiritual health and total well-being is equally important. This assessment is merely a tool to help you assess the depth of your relationship with God and where you need to grow. Honesty is key. Going deep in your relationship with God is the goal.

As you complete the assessment, avoid rushing. Listen for God's voice to encourage and challenge you. Consider this experience as one-on-one time with Him. Be intentional in your growth towards Christlikeness. The answers you give will be helpful for you to understand where you need to grow and you will be able to develop your own personal plan.

MISSIONAL RESPONSE TO GOD

1. Think of 2 friends who haven't experience life-change through Jesus. Write them down on a piece of paper and commit to pray for them.
2. Pray for opportunities to get to know them and pray for the filling of God's Spirit for boldness to enter into their pain, their world, their interests, their reality so that you can earn the right to speak into their heart and soul.
3. Invest in getting to know them. Think through these ideas:
 - Is there a need? Then fill it.
 - Is there a hurt? Then heal it.
 - Is there a common interest? Then do it.
4. When God's timing allows, invite them to a Worship Service, Alpha, or any other type of church gathering.
