

You found it! This mountain points up to God. We can worship God by telling Him how great He is. Talk as team, and then tell us three things you think are great about God!

GIVE the team about 30 seconds to come up with two reasons why God is great. Then HAVE the team share those with the group.

You found it! One way we worship God is by remembering verses from His Word. So let me see your team stand tall like this tree and say our memory verse after me (PAUSE to allow team to repeat each line after you):

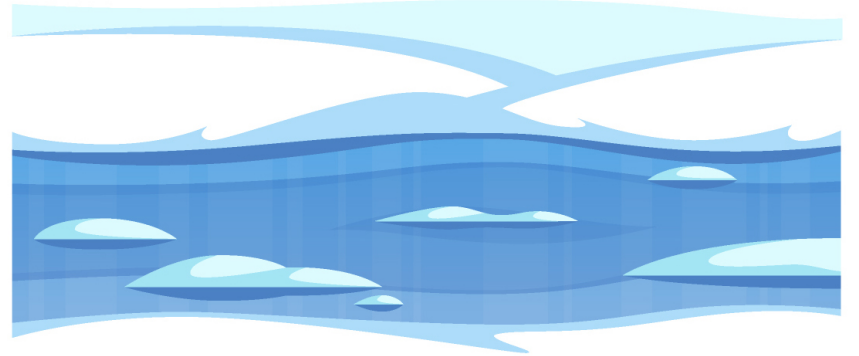

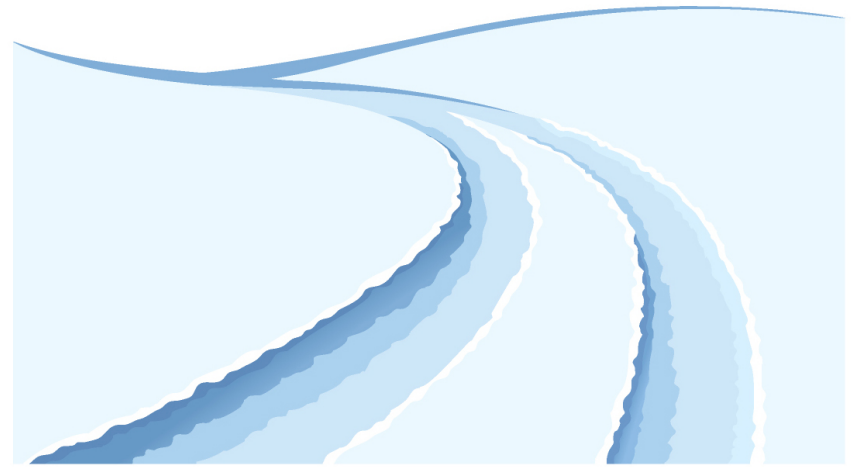

***“God,
You are my God.
I want to follow You.”
Psalm 63:1***

You found it! Whether you’re on a mountain top or snuggled up by a cozy fire, you can worship God! To practice worshiping, your team gets to sing what we need to know today! I’ll give you one minute to think of how you want to sing, “I Can Worship God!” Ready, go!

GIVE the team about one minute (or less if they’re ready) to figure out how they want to sing, “I Can Worship God!” Then HAVE the team sing it for the group.

You found it! It looks like someone went dancing in the snow! You can worship God by dancing and singing! Talk as a team and pick one of your favorite dance moves. Then you all get to do your favorite dance move while saying, “I Can Worship God!”

GIVE the team about 30 seconds to choose a favorite dance move. Then HAVE them dance while saying, “I Can Worship God!”

You found it! What do you think these tracks were made by? (ALLOW responses) Those were all great guesses! It looks like someone went on a snowmobile adventure here!

SAY: Telling God thank you for the things He gives us and the things we get to do is one way we can worship Him. Now your team gets to come up with three things to thank God for. Ready, GO!

GIVE the team a few seconds to talk, and then HAVE them share three things they want to thank God for.

You found it! Have you ever been quiet enough to listen to a river as it runs through the rocks? (ALLOW responses) Well, that's because even the water is worshiping God!

SAY: Telling God thank you for the things He gives us is one way we can worship Him. Now your team gets to come up with three things to thank God for. Ready, GO!

GIVE the team a few seconds to talk, and then HAVE them share three things they want to thank God for.

You found it! Did you know that all of creation is singing praises to God? (ALLOW responses) It's true!

These Northern Lights are making beautiful sounds to God all the time! So now your team gets to make a beautiful sound as you say what we need to know today! Everybody shout, "I Can Worship God!" (The team will shout, "I Can Worship God!")

You found it! Your team found the sun in the sky! If you're hiking in the great outdoors, you'll see so many awesome things that God made. So stand up, because your team is going on a hike! As you "hike" in place, I will point to each of you, and you'll tell us one thing you might see in nature.

HAVE the team walk in place. POINT to each child and HELP them tell the group one thing they may see if they were on a hike, assisting kids as needed.

Taking a hike or a walk and thinking about the cool things God has made is a great way to worship Him!
