MAY

**MAY 15 | 6:00 PM | WORSHIP CENTER**

Plans have been made for an impactful spring and summer, but first we are commanded to submit them to the Lord (James 4:15). Scripture teaches us that God knows what we need before we ask (Matthew 6:8). God delights to be asked humbly for big things (James 5:16–17). Since a genuine move of God’s Spirit is what we are looking for, we are calling an all-church prayer meeting and time of worship to kick off the semester.

Just like a family reunion, we want to gather as family to witness the baptisms and enjoy a delicious BBQ dinner that will be provided. Bring your family to share in the fun activities, food, and fellowship culminating with sparklers at the end of the evening! This is also a great opportunity to tour the newly improved grounds before Camp Wired kicks off!

# “We own a camp! Do you want to see it?”

“We own a camp! Do you want to see it?” Pastor Marty Berglund, our founding Pastor, asked me during one of my first visits to Medford. He opened the gate, and we drove and walked the trails around the 30 acres of the camp. We sat on a few logs overlooking the lake and facing the cross as he told me how God worked to entrust our church with this former YMCA camp. Another true story of God at work here. As I sat there, it stirred up my memories of how God used a camp to shape my own life.

I grew up going to Camp Tatapochan, a YMCA camp in the San Gabriel Mountains of Southern California. I made friends, learned about God, faced challenges, learned about character and leadership, and went on to serve as a camp counselor-in-training. At another camp in those same mountains, an old gospel musician and preacher issued a challenge to a chapel filled with hundreds of high school students; I was one of them. He looked right at us and said, “Some of you need to listen to God, reconsider the direction of your life, and prepare to go into full-time

ministry.” That night at camp was a turning point for me. Whenever I am at our camp, walking around smelling the pine trees and watching the sun glisten off the water, it brings those memories right back.

I am so thrilled that we have this camp and that we all share the belief in the potential it holds for God to impact lives. This summer, we are taking a pivotal step in realizing that vision.

We have already almost 200 kids signed up to be part of our first sessions of day camp. If you haven’t signed your kids up, I hope you will. I am excited to see that day camp expand and impact more kids as we build it up summer after summer. But that is only the beginning of realizing our vision for the camp.

We are a church family, and like any family we are blessed to have a home away from home in the beauty of nature. The camp is an opportunity for all the various ministries of our church to get away and make special memories of God’s work in our lives. These past months, much of the foundational

building work has been completed on the buildings and grounds. Now, we will be investing and working to give the camp a sense of warmth, hospitality, and vision.

We envision building on the day camp more and more and equipping the camp with many areas designed for fun, connection, and activity. But it’s also our desire that small groups, youth, young adults, men, and women would want to create memories at the camp. For us to realize that vision, we will be enhancing the camp’s natural beauty by installing and designing areas that will create ideal settings for people to connect with God and one another.

These pictures depict our vision of the kinds of design projects that will be developed and installed. I hope you will consider taking time this summer to help us realize this vision. You can help by lending us your hands; we will need lots of hands to create these kinds of spaces. You can help by giving of your finances; the stronger our regular giving is, the more we are able to invest in capital improvement

Pastor Eddie, Tess,  
& Charlie Jurimas

projects like these. You can help by joining us at events, inviting friends, filling it with joy, friendship, and hospitality.

My prayer is that we will have decades of fruitful ministry at the camp and look back on it as a place where we created a lake full of memories. I find these words from Deuteronomy 32:7 to be true:

*Remember the days of old; consider the years of many generations; ask your father, and he will show you, your elders, and they will tell you.*

Please pray that this summer the camp will be teeming with life and vitality, that we as an entire congregation will come to possess the camp at a heart level, and that God will establish the work of all the hands that have built into it.

Steve and Andi Quinn

Ten Weeks of Alpha, a  
Whole New Life in Christ

# GOD AT WORK

## **GOD HAS MADE A BIG DIFFERENCE THROUGH ALPHA IN THE LIVES OF STEVE AND ANDI QUINN**

In the fall of 2018, Steve Quinn and Andi LaFleur were both working as paramedics who knew each other in passing but had never actually spoken. Andi reached out to Steve on Facebook expressing concern about a mutual coworker who was ill and how they might help him.

Their subsequent phone call about their friend ended with Andi inviting Steve to attend FAC's Alpha course with her. Steve accepted, and the two embarked on an ever-deepening relationship with Jesus Christ.

## **PERSEVERING THROUGH DIFFICULT TIMES**

Born in South Jersey, Andi grew up in the well-to-do suburbs of Philadelphia. Her parents divorced when she was a child, and both remarried over the next two years, creating many changes and upheaval in

what had seemed to be a pretty "normal" life. Four years later, her mother died of cancer.

When Andi was 14, she attended a Christian summer camp. It was there that she asked Jesus to come into her life, and she began going to a church where the youth pastors helped her connect to God. Still, Andi found herself straying from God by her mid-twenties.

It was about 2016 when Andi started going to FAC, and she attended the church's Alpha course later that year at the invitation of a friend. "It was a difficult time in my life. I was struggling as a newer single mom and trying to balance everything. I needed connection, fellowship, and God," Andi says.

## **WALKING AWAY FROM GOD**

Steve was born in Washington, D.C., and raised in South Jersey. Like Andi, he was brought up to believe in God but says he eventually came to view Him as "the big punisher in the sky" and walked away from the church while still in high school.

"There was more fear and intimidation... and for many years it really pushed me away from the church," says Steve, who became more and more rebellious as time went on.

By 2010, he says, his life had become so unmanageable that his mental health had begun to suffer.

## **HEALING THROUGH ALPHA**

Because Alpha so impacted Andi's relationship with Jesus Christ, she encouraged Steve to attend. She said she would go with him if he wanted.

"You could call it a prompting from the Holy Spirit," she says. "I couldn't have held my tongue if I tried. I was still very energized from the women's conference I attended just the month before, and I just blurted it out." She says she didn't think Steve would actually accept her invitation, but he registered the next day.

During the ten-week course, their knowledge of and relationship with Jesus grew dramatically. Steve, especially, said he

# Meet new people and explore faith together.

STARTING APRIL 27 FROM 6:30 TO 8:30 P.M.

## WHAT IS ALPHA?

Alpha is a place to connect with other people who are open to exploring life, faith, and meaning. Each session includes a free dinner and a short talk on an element of the Christian faith, followed by a chance for each person to share their own questions with the group. All perspectives are welcome!

A catered meal is served every week, completely free for you to enjoy. Dive into a night of engaging video presentations, casual discussions, powerful insights, and answers you crave to some of life's biggest questions. Bring your friends and come find out what Alpha is all about.

## REGISTRATION

Alpha meets in the Fellowship Center on Wednesday evenings for 10 consecutive weeks beginning April 27 from 6:30 to 8:30 p.m.

It's free, but please register online.

**[MYFAC.ORG/ALPHA](http://MYFAC.ORG/ALPHA)**

felt burdened by the mistakes of his past and thought he had to work his way back into God's good graces. Through Alpha, he came to recognize that there was nothing he could do through works to gain God's favor and that he only needed to ask Jesus for forgiveness from his sins and accept Him as his Lord and Savior.

"The relationship I had been lacking before with a Savior I hadn't been close to exploded into something that was new and exciting," he says. "My view of God now is completely different. I'm known, I'm loved, I'm forgiven, and I have a relationship with Him. My forgiveness was already bought and paid for, and I couldn't earn it."

For her part, Andi explains how Alpha helped her to renew and strengthen her own relationship with Jesus.

"I have been a Christian since I was 14 years old, but I had experienced a world of hurt, confusion, and pain over my lifetime," she says. "It was around 2015 to 2016 that I actually started following Jesus and walking in faith in a very different way."

Today, Steve and Andi are married and living in Medford Lakes. Andi is the Director of Paramedic Sciences at Rowan College of Burlington County, and Steve coordinates the EMT program at Virtua Health Care.

"Our relationship is very different than either of us experienced previously, and that's very much because of the individual relationships we have with Jesus," Steve says.

They encourage anyone looking to deepen or enter into a relationship with Jesus to consider attending Alpha.

"It is a great experience for so many reasons—fellowship, connection with other people, sharing a meal, and connecting with God," Andi says. "There is a God who loves you, a God who forgives you, and a God who is there for you even when it feels like there isn't."

And the friend whose health had sparked their initial conversation? He is doing much better and continuing to work as a paramedic alongside Steve and Andi.

## MARRIAGE

Marriage is a reflection of the relationship between Christ and the church (Ephesians 5:25). It is holy and calls us to righteous commitment. The Bible calls it a covenant. The following workshops are designed to help you rise to the challenge of true faithfulness in a culture of convenience.

### MARRIAGE WORKSHOP: PROTECTING THE PROMISE

Friday, May 20 | 7–9 PM | Chapel | [Register Online](#)

Do you want to safeguard your marriage amid the storms of life? Or are you clearing out the debris and rebuilding your marriage after the storms have passed? Unfortunately, even strong marriages have struggled over the last few years. This workshop will give you the tools to help your marriage recover. Learn what you can take away from the difficult seasons so you and your spouse are prepared for other unexpected storms.

### MARRIAGE WORKSHOP: ROMANCE OR ROOMMATES?

Saturday, July 30 | 9 AM–12 PM | Chapel | [Register Online](#)

Protect your marriage from rusting from within. Most marriages don't go down in flames but slowly deteriorate from the inside. The honeymoon fades away as careers, children, financial responsibilities, and lawn mowing take priority. Mediocrity creeps up, settles in, and the marriage relationship slowly turns into a business partnership.

How do we reclaim what we once had? All marriages are at risk of struggling with "Roommate Syndrome." But what makes this condition extra sneaky and pervasive is that the many things in life that brought us to this point weren't necessarily bad. Come to this workshop to reclaim and revive your marriage relationship. Breakfast will be served at this event.

### WOMEN

#### TRUE WOMAN 201: INTERIOR DESIGN

Starting Tuesday, April 26 | 9:15–11:15 AM or 7–9 PM  
Upper Room | \$14\* | Register Online

The Lord is the ultimate Designer, and He has a divine design for womanhood. He wants to move in and radically renovate your heart, forming you into a godly woman from the inside out. If you let Him, He'll give you a brand new interior design to magnify the gospel of Christ to an unbelieving world. The change won't happen overnight, but the outcome—a heart and character like His—will be grander than anything you could have envisioned. It all starts with trusting Him enough to hand Him the keys to your heart, asking Him to make a beautiful work of art out of your life. This study is for every woman in every season and circumstance of life!

**Note:** Because this study will end as students are heading into summer break, programming for elementary and middle school children will be provided in the morning for the final weeks of this study.

\*Cost for this study also includes the book and all materials.

### MEN

#### GREAT MEN OF THE BIBLE

Starting Thursday, May 5 | 7–8:30 PM  
Fellowship Center | Free | Register Online

When God created the earth, He looked on all He had made and said, "It is good." Men were in that garden, so it's good to be a man. Scripture is filled with case studies of men pursuing God's heart.

In this study, we will look at eight different men of the Bible who were flawed by sin, but displayed the kind of Christ-like character critical for empowering godly men to be all that God created them to be.

"One of my favorite verses is Proverbs 31:25, which describes a Godly woman. It says, 'She is clothed with strength and dignity, and she laughs without fear of the future.' What a beautiful picture of a woman who knows her calling in the Lord and is at peace with God's will! I pray that every woman the Lord has called to Himself will follow Him in the same way." —Meg Preim

## CHILDREN'S CURRICULUM: PRESCHOOL & ELEMENTARY SCHOOL

### MAY – AUGUST

#### The Gospel Project

**A Pattern of Disobedience:** God's people were in the promised land, but not all was well. Generation after generation continued a cycle of sin with troubling consequences. Because God is just and holy, He did not allow His people's sins to go unchecked. Because He is also loving and gracious, He provided forgiveness through repentance.

**King Saul:** Despite all that God had done for Israel, God's people continued to rebel against Him. They demanded a king, going against God's plan and ignoring His warnings about how a king would rule them. God provided Israel's first king, Saul, to rule His people Israel. Christ, the final King, rules over all people as Savior.

**King David:** Because of Saul's disobedience, God rejected him as Israel's first king and chose David to be king. Through David's family, God brought forth the last King—the Redeemer Jesus Christ. Jesus is the perfect King who brings peace and salvation to the world.

#### Key Passages (ESV):

"For the wages of sin is death, but the free gift of God is eternal life in Christ Jesus our Lord." —Romans 6:23

"And I said: "Woe is me! For I am lost; for I am a man of unclean lips, and I dwell in the midst of a people of unclean lips; for my eyes have seen the King, the Lord of hosts!"  
—Isaiah 6:5

"In him we have redemption through his blood, the forgiveness of our trespasses, according to the riches of his grace, which he lavished upon us, in all wisdom and insight."  
—Ephesians 1:7-8

## NEW STAFF PROFILE Sarah Fires

Sarah has attended Fellowship since she was five years old. She graduated from Stockton University with a Bachelor of Arts in Psychology and The Ohio State University with a Master in Occupational Therapy.

In April, Sarah came on staff as the Early Childhood Coordinator, providing oversight and management to all early childhood programs. She hopes to equip a generation passionate about pursuing truth and following God's call for their lives. "We will tell the next generation the praiseworthy deeds of the Lord, his power, and the wonders he has done" (Psalm 78:4). In addition, Sarah hopes to provide children and families with teaching, experiences, and resources to build their faith and further their walk with God.

Sarah is excited to hear, see, and love each child intentionally to build a relationship that shows them who Jesus is and teaches them the Word of God. She is passionate about partnering with and equipping

families to live bold, gospel-centered, kingdom-focused lives.

Sarah has been married to her husband Chad for 14 years. Their son, Jaxson, will be ten this spring and their daughter, Jordyn, just turned five.

Proverbs 3:5-6 says, "Trust in the LORD with all your heart, and do not lean on your own understanding. In all your ways acknowledge him, and he will make straight your paths."

The world tells us we are capable of figuring it out, and we should "follow our heart," but freedom and peace come from trusting God wholly and entirely and not relying on ourselves. I involve God in all my decisions so that He can direct my steps. It reminds me to surrender to the Lord and trust that His heart and plans are good.

# GIVING

“One gives freely, yet grows all the richer; another withholds what he should give, and only suffers want.” –Proverbs 11:24

We should not be surprised that life itself gets behind generosity and pushes against greed because God is generous and He made everything. Since the church is God’s household, His values are what we desire and find beautiful. God did not spare giving His only begotten Son for His household (Romans 8:32); we should respond fittingly. Let us not shortchange ourselves from all the blessings that flow from generous giving.
