## SUNDAYS AT 9 & 11 AM

Worship is what we were made for and what our weekend services are all about. There is so much about God to worship, and there are so many ways to do it. Our service includes music and singing, hearing and learning from God's Word, as well as thanking God and giving to His work.

*Conversational ASL interpretation is available at the 9:00 a.m. service and headphones are available at all services for those who are hard of hearing—just ask an usher for assistance.*

## CHILD DEDICATIONS

**SUNDAY, MAY 14 | 9 & 11 AM  
WORSHIP CENTER**

Child dedication is an opportunity for parents to commit themselves to raise their children for God's glory. This service prompts parents to recognize their children as God's gift to them, declare their faith in Jesus Christ, and their intent to raise their children in a Christian environment. This Mother's Day, we will set aside time during the worship service for parents to dedicate their children before our congregation and the Lord.

For more information on child dedication and to sign up to dedicate your child, go to [myfac.org/dedication](https://myfac.org/dedication).

## BAPTISM CLASS

**SUNDAY, JUNE 11 | 11 AM | CHAPEL**

To become a Christian is to receive a whole new life—a cleansed life. This event is so important in a person's life; it should be celebrated in front of everyone, and that's what baptism is. Jesus told us to be baptized. To be baptized, you have to be a Christian. At a minimum, every true Christian holds belief in the Apostles' Creed, which is the oldest and most basic statement of faith in Christianity. To ensure you understand and believe the tenets of the Apostles' Creed, a pastor will help you confirm your beliefs at the class or before the baptism service. If you have a child seeking to be baptized, we have a parents' guide to help you walk through the steps toward baptism.

This baptism class is designed to help you learn more about the baptism process, study biblical baptism, and answer your questions before the baptism services on Easter. To register for the baptism class, please visit [myfac.org/baptism](https://myfac.org/baptism).

# RENEWAL FOR *our Times*

## A LETTER FROM PASTOR SETH

In my news feed over the past few months, there has been national attention on Jesus Christ and Christianity. *The Chosen* series has captured worldwide attention, and Ivan Provorov courageously refused to put his name behind the NHL's corporate effort to affirm and celebrate what the Bible calls sin. The extended chapel events at Asbury University have also caused many to reflect on the nature of a true move of God.

Our own founding pastor, Marty Berglund, traces his ministry passion to his encounter with Christ through the same movement of the Spirit that the new movie *Jesus Revolution* is based off of. With so much in the air about standing up for your faith, revival, and renewal movements, I wanted us to think about and seek true spiritual renewal.

Vivid times of spiritual renewal are found often in the Bible. The ministries of Enoch, Elijah, Josiah, Nehemiah, John the Baptist, Stephen, and the Apostle Paul are the only

examples we can look to that are from divinely inspired Scripture. If we look at these various times of revival, we notice how different they are. Some happen during planned corporate worship; some seem to be spontaneous; some are led by a strong central leader; and some seem to happen from the grassroots. However, one thing is common—God's people "cried out to the Lord." *Why during a time of renewal are people crying out to the Lord?*

Sometimes, people who are real Christians live their Christian life in a sleepy way. This happens when one of the two main truths of the gospel is fuzzy or dull to their minds and hearts. First, God is holy and never to be fooled around with. Our sin really has put us at odds with Him, and that is a terrible and frightening position to be in. At the same time, on the cross Jesus really did offer Himself as the payment to His Father to completely satisfy the wrath of God against the sinner. In a time of revival or renewal, both of these truths come

together to the mind and heart in a life changing way—there is a clear sense of the miracle that is saving grace. This is an outpouring of the Holy Spirit accomplishing His work.

The Holy Spirit is a person, and there is nothing ordinary about Him. The Bible teaches us that it is He who convicts us of sin (John 16:8); assures us of the grace of the Father's love (Romans 8:15–16); and helps us to come into the presence of God (John 14:21–23). Tim Keller defined a revival in a way that is biblical and has stuck with me. He states, "Spiritual revival, or renewal, is a work of God in which the church is beautified and empowered because the normal operations of the Holy Spirit are intensified."

Keller points out that this is a definition of renewal and revival that is distinct from two other traditions. One tradition holds a view that puts human efforts much more in control by attempting to schedule a

THERE IS NO WAY TO HAVE A TIME OF REAL RENEWAL WITHOUT AN *electrifying* AND *real* EXPERIENCE OF GOD'S GRACE THROUGH THE HOLY SPIRIT.

set of revival meetings. What they were really planning was a time of extra effort in evangelistic outreach, which is good, but it is not revival the way the Bible describes it. Another popular view of revival is a time when the Holy Spirit adds extraordinary effects to His more ongoing and invisible work. Examples of these can be supernatural miracles, clustered amazing healings, words of prophecy, and extra-biblical revelations. We should continue to pray for our needs and for healing from our Father who loves us (James 5). However, we should not attempt to mimic the miracle-working ministry of the Apostles who wrote the Bible, or seek to add to God's Word by "new revelations" (Revelation 22:19).

Instead, we should seek the kind of common works of renewal that we see in the Bible.

**Renewal happens when the Holy Spirit pours into the hearts of people, and His presence becomes evident through a sense of awe and wonder.** This special presence of God makes a difference. Stagnant Christians wake up, have a sense of their lack of holiness, and experience a new hunger for His Word. Their salvation becomes more real, joyful, and important to them. They also awaken to the needs of those they know who don't believe and they get a confidence and a boldness to be public with their faith in Christ. People who attend church but haven't been born

again, receive saving faith and come alive to God for the first time. The joy, humility, and boldness of these changed lives leads to a new sense of God being active in their prayer life, reading of the Bible, and worship services.

**As a result of the Spirit's renewing work, new people are brought into the church, and it begins to grow.** As more Christians are experiencing the true joy of their salvation, the church gets beautified with love, holiness, and hunger for God. This becomes attractive to outsiders, and the church gets bolder and more excited to share about their faith. They see that a relationship with Christ is a treasure to be honestly offered to unbelievers.

**The increase of Christ-like character in believers, and the increase in the number of believers begins to make a difference in daily life outside the church.** Families are more filled with joy and holiness, classrooms are affected, workplaces experience a change, a city council can be affected, and even more—it can sweep a whole nation!

There is no way to have a time of real renewal without an electrifying and real experience of God's grace through the Holy Spirit. Grace can only be electrifying to the heart when forgiveness is internalized as necessary and costly. Only then does what Jesus did at the cross appear ultimately and gloriously beautiful in a way that is real and

overwhelming. If you are longing to renew, or begin your understanding of the Holy Spirit's ministry, I highly encourage you to take Fellowship's Planted class this spring.

It seems to me that our times are ripe for a time of renewal. I am asking that we pray for a revival. Pray that we all grasp the Great Commission in a new way (Matthew 28). Pray that the truth of the gospel will be unusually vivid and spiritually real to all hearers at the worship services. Pray that you could enter a season of self-examination, and God would show you ways you don't hunger and trust Christ as you should. Pray that God will make things you know about the Bible in your head real to your heart. Pray for God to show us all

more of His glory, so we can gaze on His beauty and be satisfied in Him.

Let's be praying,

*Pastor Seth McG*

## RUBEN MEZA

Ruben was born in Montclair, California, and raised in Rancho Cucamonga, California. As a child, his mother took him to church. Ruben recounts, “Although I was not excited about attending church as a child, I found myself reading about heaven in the book of Revelation as the pastor would preach his Sunday sermons. I found myself longing for heaven and at a young age knew that the call of God was on my life.” As he got older, Ruben ran from God and fell deep into sin with drugs and alcohol. But God wasn’t finished with Him yet: “After being taught the Scriptures and hearing that I could be forgiven by believing in Jesus, I asked him to come into my life, and I have devoted my life to Him ever since.”

After graduating from high school and owning an automotive glass business, Ruben was led by God to serve in the church. In 2012, he began serving at Calvary Chapel Chino Valley in Chino, CA, where he assisted in leading a worship team and leading worship for youth and young adults services and outreach events. Ruben then spent six years at Calvary Montclair, a church plant in Montclair, California, leading their worship arts experience through music, stage design, and visual media to aid in live and online worship services. In 2016, he began studying jazz music at Citrus College in Azusa, CA and then transferred to Azusa Pacific University in 2018 and obtained credits toward a Bachelor of Arts Music Composition.

Ruben’s passion is writing worship songs: “I love the process, the seeking, the chasing of the lyric, the time spent with God in crafting a song. It’s very fulfilling.” He’s also passionate about his wife and daughter, “they are truly a gift from the hand of God.”

In November 2018, Ruben married his best friend, Jayde Meza, and on November 9, 2021, they had their first child, River Wylde Meza.

Their desire as a family is to glorify God and to love and edify His church with their lives, even when it may not be easy. Although they have been through many unexpected circumstances and trials in the past few years, 2 Corinthians 4:8 gives them hope: “We are afflicted in every way, but not crushed; perplexed, but not driven to despair.”

When God brought his family to New Jersey to be a part of our church, Ruben believed that was part of Christ’s work in their lives: “We are truly thankful and humbled by the whole experience, and we are excited about the future.”

In March 2023, Ruben joined the Fellowship staff as Worship Director. He leads our worship team and works with the worship department staff and volunteers to plan and execute all aspects of worship, worship design, and production. Ruben’s prayer is to create an atmosphere and culture of deep, wholehearted worship that will complement Pastor Seth’s teachings of the Bible.

*The most important aspect of my job, I believe, is spiritual. It’s important that I daily walk in the Spirit through prayer and the reading of His Word.” Ruben says, “This allows me to depend fully on the Holy Spirit to lead and pastor others into worship. Worship is sacred; it’s important as a leader to approach God in worship with a pure heart.*

—RUBEN MEZA, WORSHIP DIRECTOR

## NICOLE HENKEL

Nicole grew up in Maple Shade with her parents and three younger siblings and was raised in the Catholic church. She attended church most Sundays, but her family never opened the Bible at home. It wasn’t until after she was married that Nicole really felt God calling her. Nicole remembers how God used her circumstances to draw her closer to Him: “That first year I felt fearful, downhearted, and desperate for change and something more.” At the time, Nicole was being mentored by a friend’s mom who read the Bible with her, explained the gospel, and helped her understand that Jesus was the only one who could fix what needed mending.

Nicole and her husband Dan have been married for almost eight years and they live in Tabernacle with their four children. These days, Nicole loves spending time with her family exploring the Poconos and making memories on day trips to the beach, family game nights, and weekly dance parties in their kitchen.

In September 2022, Nicole came on staff as the coordinator for the Women’s and Early Childhood ministries to help oversee and plan events and programs. She previously managed a day care and taught two-year-olds, worked as a nanny, and a labor doula. Nicole has volunteered in women’s and early childhood ministries since she started attending Fellowship in 2017. She has a true heart and passion for women and children.

## SARA KNOEDLER

Sara Knoedler grew up in Marlton, New Jersey, and came to saving faith in Jesus Christ at the young age of four. “I didn’t quite understand the depth of my decision then, but I sure do now. Sin is an overwhelming burden that He took from me. I am so grateful He grabbed hold of my heart.” Sara recounts, “When I take a step back and look at my life over the years, the highs and lows, the many times I failed Him, I am reminded that He never waivers. He will never stop forgiving me. His mercies are new every morning. I am confident His plan for my life is bigger than anything I could fathom.”

Sara’s first job at 16 was working for Starbucks. After graduating from Liberty University with a Bachelor of Science in Psychology and working in many fields, Sara left the workforce in 2014 to become a stay-at-home mom. Sara reflects, “I wasn’t ready for the exhaustion that would come, but I also never anticipated the impact I would have inside my home.” In 2019, she started her own in-home baking business called Sara Bakes.

Sara and her husband of 12 years, Corey, have two children: an eight-year-old daughter, Schuyler, and a five-year-old son, Hunter. Their family has endured significant changes recently, but as they seek God, He continues to show His character. Sara says, “We are truly blessed by what God has done for us in the past, and as we look to the future with expectant hearts, we are reminded that we do not deserve His grace and mercy, so we strive to honor Him in all we do.”

*I see my role here as an opportunity to love and serve the families in the church community and create a nurturing environment where women and children can grow in their faith and form lasting relationships with one another, and most importantly, Jesus Christ. There is something so beautiful in knowing and trusting that God called us to do this work. It has been an honor to work here at Fellowship alongside so many amazing and talented people who love and support one another and are also working for the Glory of God individually and together. Though I will never be grateful enough, I am in awe and excited for what God has planned!*

—NICOLE HENKEL, WOMEN'S AND EARLY CHILDHOOD COORDINATOR

*Hospitality is a big deal within the body of Christ. I hope your experience within the Fellowship Café is one where you feel seen, appreciated, and loved by your fellow brothers and sisters in Christ. So come and sit down, have a cup of coffee, and catch up with a friend. I pray that God uses the Café and the abilities He has given me to positively impact the lives of those with whom I come in contact.*

—SARA KNOEDLER, CAFÉ DIRECTOR

### FIVE ASPECTS OF MAN: 201

Thursdays, May 4 to July 6 | 7 – 9 PM | \$20  
Fellowship Center | [Register Online](#)

Often men can feel like they're in a fight with an unknown enemy, shrouded in a dark and dense jungle. Clarity on who men are supposed to be can be confusing in a world filled with lies and attacks on manhood. However, the Bible shows us that masculinity is good and not only something to be, it is something to do! Five Scripture passages on gender will teach you to see men from God's viewpoint, so you can understand yourself and other men as the masculine creatures He made you to be. This study is intended for men of high-school age and up.

### RUTH

Tuesdays, May 2 | 9:15 – 11:15 AM or 6:30 – 8:30 PM  
Upper Room | \$10 | [Register Online](#)

A suffering nation, reeling from famine, judgment, and war, Israel was a dark and unfriendly home for most, particularly for a woman. Even more so for a widowed woman. Ruth's story begins in desolation. But as in every story whose Author is God, that desolation is not without a glimmer of hope.

As you watch that glimmer of hope bloom into a dazzling display of grace, you'll understand why the book of Ruth is called, by some, the greatest love story of all time. But this love story is much less about romance and more about restoration. It's a story of how God can turn tragedy into joy, no matter how desperate our circumstances may seem.

### TRUE TREASURES

Starting Tuesday, January 10 | 9:15 – 11:15 AM

True Treasures is offered in the Treehouse for all children from birth to five years old during the morning session of women's studies. Children will discover how God's Word is one big story of God's love for His people and see that it's a treasure that's better than gold! Childcare is also available as needed for the evening session.

### MOMLIFE

## ABOUT

One way God does His maturing work in our lives is by taking us through problems. Some problems we have been the cause of, others we had no hand in. Others who have grown through these same troubles lead the groups by looking to God's Word for the Truth and way to new life.

# SERVICE

*and missions*

We serve to participate in kingdom work and to make an impact. Service is a part of the commandment Jesus gives us to love one another (John 13:34). As a body of believers and disciples of Christ, we want to be known for the love we show to others (John 13:35). We desire to see each person in our church fully engaged in serving each other, in missions, and in their community.

## SERVICE OPPORTUNITIES

### TREEHOUSE VOLUNTEERS

Special buddies are needed in the Treehouse! Every child of God is uniquely created and inherently worthy of love, so as we love Him, we also love and care for all His precious children. If you are interested in being a buddy with a child in the Treehouse, please email Sarah Fires at [sarahf@myfac.org](mailto:sarahf@myfac.org).

### CAMP SERVE DAYS

**April 15, May 20, & June 10 | Camp Fellowship**  
**9 AM – 12 PM or 12 – 3 PM**

During the winter months, the camp takes a beating. With over 30 acres to care for, many hands are needed to make the property look beautiful again. The first few service days at the camp will focus on general cleanup of the trails and buildings, minor repairs, and planting flowers to get the grounds in good shape for the summer season.
